I confirm that I am a UK income or capital gains taxpayer. I have read this statement and want iCare to reclaim tax on my donation detailed here, given on the date shown. I understand that I must pay an amount of income and/or capital gains tax in the tax year that is at least equal to the tax that iCare, and any other charities I donate to, will reclaim on my donations for that tax year (council tax and VAT do not count). I understand that iCare will claim 25p in tax back on every £1 gift aided.
